

Project #2: IoT and augmented reality: agents with pervasive awareness, appearance, and abilities

REU Students: **Nikhil Mahalanobis & Kendra Richards**

Graduate mentors: **Dr. Kangsoo Kim**

Faculty mentor(s): **Dr. Gregory Welch, Dr. Gerd Bruder**

### **Week #8 (July 14-19)**

#### **Accomplishments:**

- Finished all revisions and final draft of paper
- Finished poster
- Practiced presenting the poster

#### **Problem & Solutions**

- Got poster presentation feedback, main problems:
  - Too much time taken
  - Three audiences to prepare for
  - Also I get nervous when presenting

#### **Plans for next week:**

- Submit paper
- Present poster
